**NITRO-X** is a multi location week long camp where students entering middle school in the fall build, paint, test, and drive remote controlled cars.

**CAMPS** are led by college and or high school instructors and mentored by a variety of industry professionals, college and high school students.

**ABOUT THE CAMP**

**5 DAYS OF AWESOME**

**THE DETAILS**

**LEARN** about how vehicles work, build your confidence with technical skills, work in teams to develop life and employability skills and gain exposure to industry by going on tours of local businesses and have fun showing off your skills at the end of the week with a race! The families of campers are encouraged to come and cheer them on!
